

Head Teacher / Principal: Mrs J Downes

**Pope Francis has asked us to say Our Father with him at 11.00am every day.**

### Website

We are using our website to keep in touch with you and add news. Please look out for updates. We will be emailing you also, so please, if you have not done already, download the School Comms app. If you need help with this, call and we will talk you through it if we can.

### Twitter

You would have received a letter last night about Twitter. If you use it already, please add news and messages. If you don't, please take time to explore. We will post updates and links there to useful places for the children.

### HOME LEARNING

**Firstly, remember DAILY READING is a MUST!**

Please make sure that you use the Home Learning area on our website. We will be adding to this as often as we can. There will be work set for Week 3, but we will set this over the holiday time too, giving them a little longer to complete it. We would like the children to rest and have lovely family time with you as well. Taking time to talk about how they feel about what is happening and explaining what is happening (with limited information, depending on their age and how you feel they may react to what they hear) would probably help them.

If you need help finding your way around the website, or you would like us to talk to your son or daughter, we can arrange a phone appointment. You can email or call St Hubert's and leave a message for us to get back to you. the number is 0121 422 2629.

### Emails

You are welcome to email us if you need to know anything or if you want to share something that we can add to Twitter. The emails are:

### Times Table Rock Stars and Numbots

Well done to all of our girls and boys who are logging on to TT Rock Stars and Numbots! Please keep it up and if you cannot get on, please email us or phone Our Lady and St Hubert's to leave a message for us.

**We can do this!**

### Safeguarding: Online Safety during this difficult time

Our boys and girls may be feeling worried or anxious about the virus and now, even more so than ever, we need to take care of what information they are accessing online. You may wish to visit this website for some practical advice on how to help them deal with their feelings:

**We miss all our  
St Francis Xavians!  
Stay safe and well.**
