T: Research - Pop art.

WHAT IS POP ART?

- Pop art is a fun form of art.
- Pop art started after the second world war and was very different to the very serious fine art of the past.

Pop art often uses images that are popular in the modern world such as...

- Famous celebrities like movie stars...

- Disney characters...

Every day objects that might be found around the home were also made the focus of works of art. Items such as...

- Soup cans...

Soft drinks...

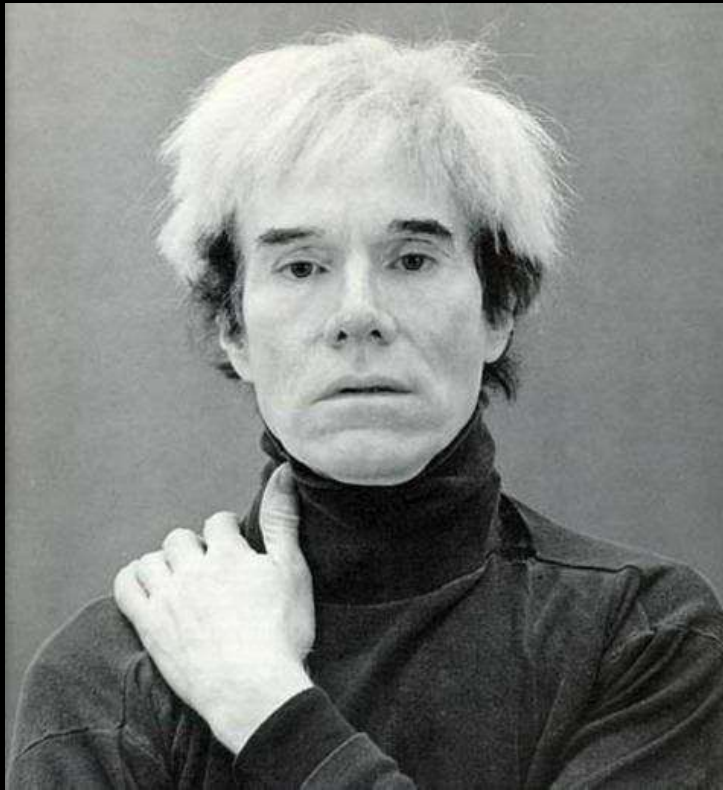

**As you can see, in many forms of pop art,
the items are drawn repeatedly with
different colours and textures each time.**

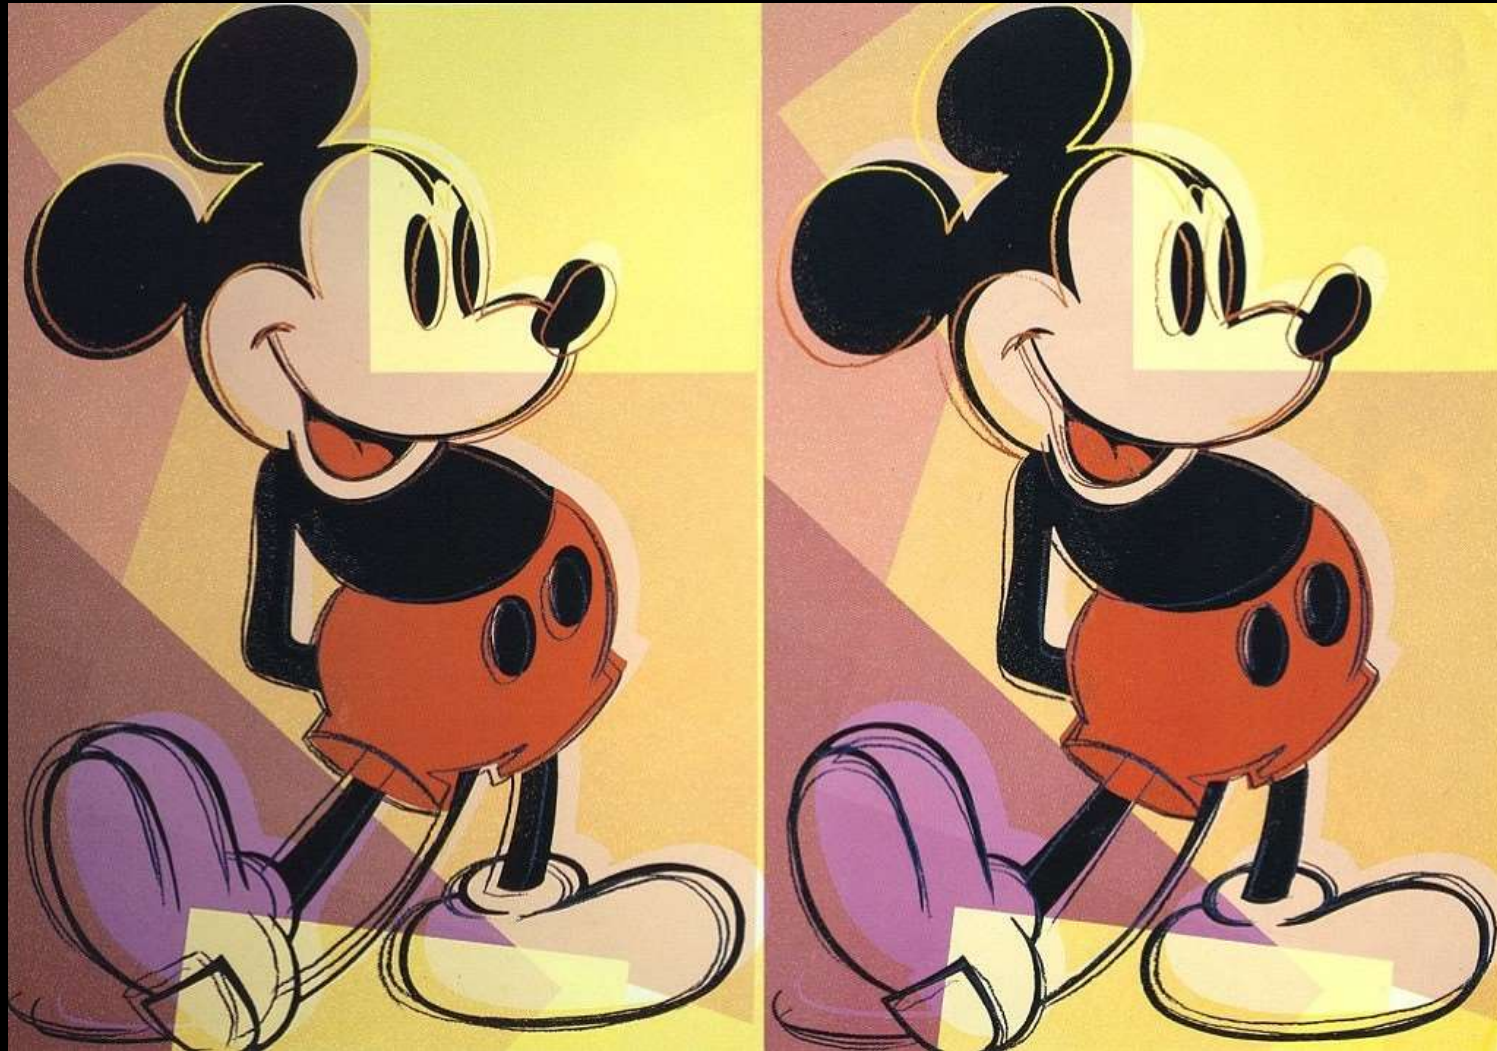

One of the most famous pop artists is called Andy Warhol.

- Read Andy Warhol facts here and create a fact file on this artist:

Warhol produced these famous pieces
of pop art.

Pop art works also include elements of popular culture such as newspapers or magazines or comics.

**A famous pop artist
who worked in this
comic strip style is
called
Roy Lichtenstein.
The following slides
show some
examples of his work.**

Words were also given the 'comic strip' effect
by Lichtenstein !
