Dear Parent/Carer,

After just returning back from lock-down, the last thing all of us want to be thinking about is them leaving our school. But, we do want our boys and girls and families to feel prepared for the future and I want you to feel that you have had all the information you need about the next step in your child's life.

As this year is a little different, you may be wondering what can happen about finding out about applying for a secondary school place if your son or daughter is in Year 6. If your son or daughter is in Year 5, you may want to plan ahead or even just have a look so you know what to expect next year. Liz Stevenson has created this short video and prepared the attached document to help you as parents in lieu of the meetings she would normally hold.

You can find the video here: <https://youtu.be/SpOkMBQ7lPk> and the document is attached.

There will also be a flyer that should also help parents access the online events that secondary schools are hosting as they can't open their real doors! This will be coming soon. If you would like to arrange a virtual parent meeting with Liz Stevenson to help then please let me know and I will arrange a time we can do this.

Yours sincerely,

Mrs Downes
