French Lesson 5: Food shopping.

Watch the BBC video on Teams / your class home learning page to see Ben finding out what his friends are buying at the supermarket. Click the subtitles button (middle button on the bottom right of the screen) to see all the words that are spoken. You might remember some of this already from last week. Listen out for 'J'aime', which means I like and 'Je n'aime pas', which means I don't like. 'J'ai besoin' means I need. There is an extra challenge too at the bottom of this page. Bonne chance!

TASK: Once you have watched the video decide what you would like on your pizza and what you need to buy from the supermarket. Make a list, with commas in the correct place and write 'et' (and) between the last two items. Start your sentence with 'J'ai besoin...' (I need...) Use the examples from the video to help you say it out loud. See if someone at home can understand what you need from the supermarket to make your pizza!

For example:

J'ai besoin de jambon, de tomates, de champignons et de fromage.

de champignons	mushrooms
de saucissons	sausage
d'ananas	pineapple
de tomates	tomatoes
de jambon	ham
de fromage	cheese
de poulet	chicken
de piments	peppers
d'oignons	onions

Challenge: Like Ben's friends, make a really weird pizza with some different ingredients that you hear in the video.
