Reasoning 1

Felicity is measuring the height of her classmates' and recording her results.

Peter   1.1 ☐

Lizzy   102 ☐

Isla   0.9 ☐

She has forgotten to write the unit of measurement.

Which unit of measure could she be using for each height? Convince me.

Problem Solving 1

A bottle of lemonade has a volume of approximately 1 litre when half-full.

Estimate the volume for the following:

a bath that is full	
a sink that is half-full	
a full can of pop	
a cup of coffee that is half-empty
