a)

b)

c)

**d)** Measure the length of other objects in your classroom.

2 **a)** How long is the blue ribbon?

b) How long is the red ribbon?

c) Which piece of ribbon is longer?

3 Mo, Whitney and Eva are building towers.

Mo

Whitney

a) How tall is Mo's tower?
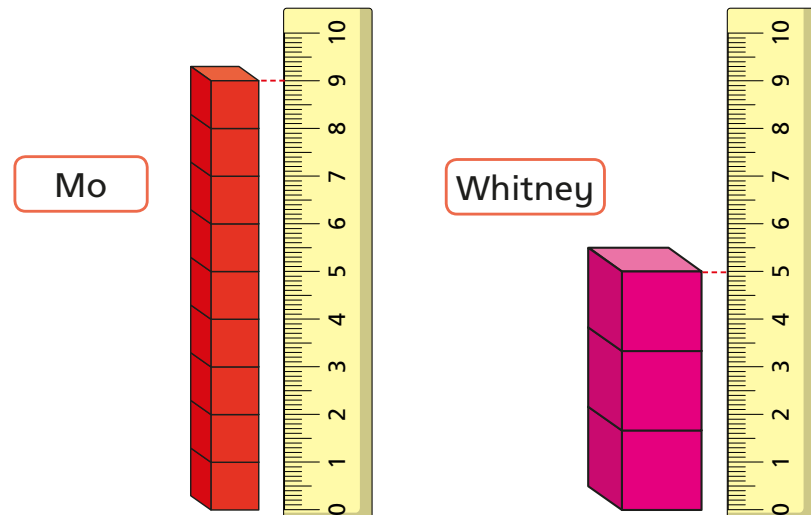

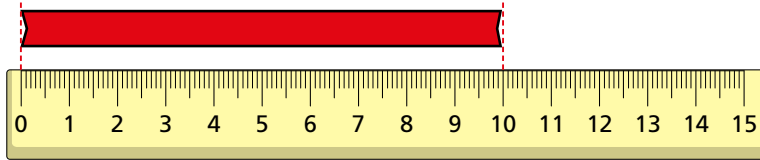

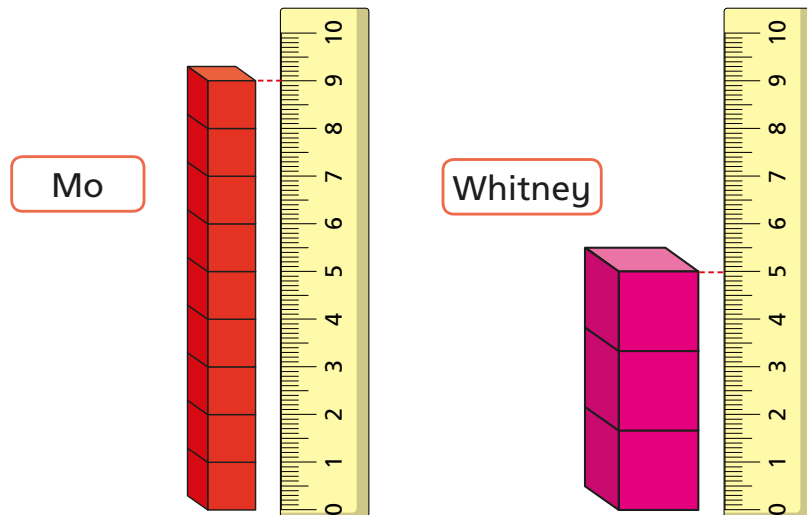

b) How tall is Whitney's tower?

b) How long is the red ribbon?

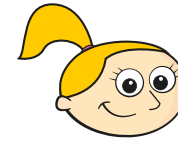

c) Which piece of ribbon is longer?

3 Mo, Whitney and Eva are building towers.

Mo

Whitney

a) How tall is Mo's tower?

b) How tall is Whitney's tower?

c)

My tower is taller than Whitney's, but shorter than Mo's.

How long could Eva's tower be?

Is there more than one answer?
