So there could be more to your favourite YouTuber than you thought...

It's always helpful to think about motive

A **motive** is why someone does something.

Why would someone do this? What is their motive?

To make people laugh

Post a video on YouTube

To advertise a product

To share their opinion about something

To make money

It could be more than one!

Why would someone do this? What is their motive?

To support an article or some information

Share a photo online

Because they want to sell something shown in the picture

Because they find it funny

Because they want their family or friends to see it

It could be more than one!

Why would someone do this? What is their motive?

To get more likes or subscribers

Run a giveaway

To reward their followers

To celebrate a big achievement

Because they're being paid to advertise a product

It could be more than one!

When you see something online

Ask...

Where has this come from?

Who created or shared it?

What do they want me to do?

Will they gain anything?

This will help you find the **motive**
(The reason why)

Let's put those skills to the test... what is the motive?
