T: Prayer in other religions.

Today we are going to be focusing on the importance of prayer in other religions.

What do you already know about prayer in other religions?

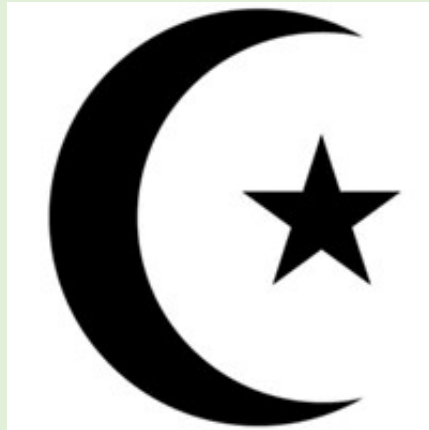

## Hinduism

Prayer is an individual act rather than something they do as a group. It involves making a personal offering to God. They say the name of their favourite Gods or Goddesses and repeat their prayers. Water, fruit, flowers and incense are offered up to God.

## Islamic Faith

The Islamic clergy lead prayer everyday and night in a Mosque (place of worship), praying to their God Allah.

## TASK

Research and write about prayer in the Hindu and Islamic Faith and **ONE OTHER RELIGION** you would like to focus on.
