T: Can I create a design in the style of Andy Warhol?

What do you remember about Andy Warhol and his style of work?

What techniques did Andy Warhol usually use in his art? Why do you think he used this techniques?

Take a look at the famous portraits Andy Warhol painted.
What do you notice about them? What is similar?

TASK

On a piece of paper, you are going to sketch a famous celebrity of your choice in the style of Warhol. If you have colours/paints at home, think about what colours you will use to match this artist.

You can choose one of the styles below to do your portrait...

Option one - split your page into 4 and create 4 different versions of the same celebrity.

Option two - one bigger drawing of your celebrity.
