T: Can I design street art  
with a memorial message?

Lets recap....

What does Banksy include in his street art? What does it look like?

A lot of Banksy's work involves a silhouette and minimal detail.

YOU are going to be creating a piece of work in the style of Banksy. Your work will be created to look like it is on a wall and will include a moral message. E.g. current new issues, environment issues - litter etc or bullying.

## Examples of Banksy's work...

## TASK

On a piece of paper, Can you design what you street art would be like? What message would be behind it?

Remember your work needs to be in the style of Banksy. Your work will be created to look like it is on a wall and will include a moral message. E.g. current new issues, environment issues - litter etc or bullying.

### Challenge

Could you use graffiti writing that we have looked at in previous lessons and add this to your street art?
