Anti-bullying Policy: Pupils

But let all who take refuge in you be glad; let them ever sing for joy. Spread your protection over them, that those who love your name may rejoice in you.

Psalms 5: 11

Statement of intent

St Francis Xavier Catholic Primary School believes that all pupils are entitled to learn in a safe and supportive environment; this means being free from all forms of bullying behaviour. This policy outlines how instances of bullying are dealt with, including the procedures to prevent occurrences of bullying.

These strategies, such as learning about tolerance and difference as part of the school's curriculum, aim to promote an inclusive, tolerant and supportive ethos at the school.

The Education and Inspections Act 2006 outlines several legal obligations regarding the school's response to bullying. Under section 89, schools must have measures in place to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's Behavioural Policy, which is communicated to all pupils, school staff and parents.

All staff, parents and pupils work together to prevent and reduce any instances of bullying at the school. There is a zero-tolerance policy for bullying at the school.

What Is bullying?

St Francis has adopted the Government definition of Bullying:

- Behaviour by an individual or group, usually repeated over time that intentionally hurts another individual or group either physically or emotionally.
- Bullying is when someone hurts you, with words or actions (child speak version).
- Bullying is different to other kinds of aggressive behaviour in its repetitive and targeting nature.
- Bullying can occur child to child, adult to child, or child to adult.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence including damage to personal belongings
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing, threats, insults
- Cyber All areas of internet, such as email, instant messaging & internet chat room misuse
- Mobile threats by text messaging & calls Misuse of associated technology, i.e. camera & video facilities.

What is not bullying?

It is important that children/parents/carers realise that not all hurtful behaviour is bullying, but all hurtful behaviour is **unacceptable** in school. Isolated incidences of the behaviours mentioned can occur amongst children when they fall out, and are not in fact bullying. Some children try out these kinds of behaviours, in the course of growing up, and it is the duty of parents/carers and the school to show clearly what is and is not acceptable behaviour between human beings. Isolated incidences are dealt with by following the school's Behaviour Policy. Genuine bullying involves systematic and frequently repeated acts focused on one or more individuals.

How can bullying manifest itself?

Bullying can be related to:

- Race, religion or culture – including taunts, graffiti and gestures.
- Sexism or sexual bullying
- Sexual orientation

- Special Educational Needs or disabilities
- Young carers or looked after children
- Appearance or health conditions

Bullying can be:

- Emotional; being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures).
- Physical; pushing, kicking, hitting, punching or any use of violence
- Verbal; name-calling, sarcasm, spreading rumours, teasing
- Sexual; unwanted physical contact or sexually abusive comments
- Cyber-bullying o Internet, e.g. email & internet chat room misuse o Mobile threats by text messaging & calls o Misuse of associated technology, i.e. camera & video

Bullying may also be experienced by a pupil from a teacher/adult or by a teacher/adult from a pupil.

Different roles within bullying are:

- **The Ring Leader:** the person who through their social power can direct bullying activity.
- **Associate:** the person who actively joins in the bullying (sometimes because they are afraid of the ring leader)
- **Reinforcer:** the person who give positive feedback to the bully, perhaps by smiling or laughing.
- **Bystander:** the person who stays back or stays silent and thereby appears to condone or collude the bullying behaviour.
- **Defender:** the person who tries to intervene to stop the bullying and who comforts children who experience bullying.

Roles and responsibilities

The role of the Governing Board

The governing board supports the head teacher and deputy head teacher in all attempts to eliminate bullying from our school. This policy statement makes it very clear that the governing board does not allow bullying to take place in our school, and that any incidents of bullying that do occur are taken very seriously and dealt with appropriately.

The governing board monitors the incidents of bullying that occur, and reviews the effectiveness of the school policy regularly.

The governors require the head teacher and all staff to keep accurate records of all incidents of bullying and to report to the governors on request about the effectiveness of school anti-bullying strategies.

The governing board responds to any request from a parent to investigate incidents of bullying. In all cases, the governing board notifies the head teacher and asks them to conduct an investigation into the case and to report back to a representative of the governing board.

The role of the Head Teacher and the Senior Leadership Team

At St Francis Xavier, the Head Teacher and Deputy Head Teacher are the designated person for matters concerning bullying.

It is the responsibility of the Head Teacher and SLT to implement the school anti-bullying strategy and to ensure that all staff (both teaching and non-teaching) are aware of the school policy and know how to deal with incidents of bullying.

The head teacher and all staff ensure that all children know that bullying is wrong, and that it is unacceptable behaviour in this school. The Head Teacher and all staff draw attention of children to this fact at suitable moments. For example, if an incident occurs, the Head Teacher and or other staff may decide to use assembly as a forum in which to discuss with other children why bullying behaviour is wrong.

The Head Teacher ensures that all staff receive sufficient training to be equipped to deal with all incidents of bullying.

The Head Teacher sets the school climate of mutual support and praise for success, so making bullying less likely. When children feel they are important and belong to a friendly and welcoming school, bullying is far less likely to be part of their behaviour.

The role of the teacher and support staff

Teachers and support staff support all children in their class and work to establish a climate of trust and respect for all. By praising, rewarding and celebrating the success of all children, we aim to prevent incidents of bullying.

The staff in our school take all forms of bullying seriously, and intervene to prevent incidents from taking place.

Class teachers keep their records of all incidents involving their pupils to enable the school to track them and identify potential bullying.

All staff are aware of the policy and the reporting procedures they need to follow. There is an anti-bullying checklist that is followed if bullying is suspected or reported. **SEE APPENDIX A for the proforma.**

If staff identify that bullying is taking place, they follow the school procedures and do all they can to support the child who is being bullied. If a child is being bullied over a period of time, the class teacher informs the SLT and the parents/carers of all children involved are informed.

Why is it Important to Respond to Bullying? Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Individuals who are bullying need to learn different ways of behaving.

Schools have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.

All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.

All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.

As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.

Bullying will not be tolerated.

This policy will work in conjunction with other policies to create a positive school ethos at all times, a positive school ethos will maximize progress and attainment.

Procedures

Bullying outside of school

Bullying can take place in the classroom, in the corridor, in the toilets, in the dining hall, in the playground. Bullying may also happen on the journey to and from school and through social media. In such cases, the Head teacher is empowered by law to deal with such incidents but must do so in accordance with the school's policy.

At St Francis Xavier Catholic Primary School, we are concerned with our children's conduct and welfare outside as well as inside school and we will do what we can to address any bullying issues that occur off the school premises. The following steps may be taken:

- Talk to the local Community Police Officer
- Talk to any relevant transport companies about bullying on school buses and in school taxis.
- Talk to the Head Teachers of other schools whose children may be involved in bullying off the premises.
- Discuss coping strategies with parents/carers.
- Talk to the children about how to handle or avoid bullying outside the school premises

- Discuss e-safety.

Monitoring and review

- This policy is reviewed every two years by the Head Teacher and the DSL.
- The scheduled review date for this policy is September 2022.
